

# CYBERSHOWCASE

## ScotlandIS Cyber Investor Showcase Sponsorship Opportunity

ScotlandIS is delighted to be delivering an innovation-focused programme which culminates in an investor showcase event called the Cyber Showcase.

This programme will showcase the frontrunners of Cyber Security start-ups that are founded or headquartered in Scotland. The scope includes all companies identifying as cyber security, digital security (including compliance and governance) and online safety technology.

12 successful participants will be selected from the applications to take part in the programme, which includes coaching, 1:1 mentoring and perfecting their pitch ahead of the Showcase event.

### Be seen on the cyber scene

This is a great opportunity for industry to support the startup cyber community in Scotland by sponsoring this unique event. Get to know some of the innovative, future stars of the cyber scene and help them on their journey.
