

# CYBER RESILIENCE FOR THIRD SECTOR

28th February,  
Scotsman Hotel, Edinburgh

## AGENDA

PART OF CYBERSKOTLAND WEEK 2024

# CYBER RESILIENCE FOR THIRD SECTOR

Understand & enhance your charity's cyber resilience through compelling case studies, interactive workshops, and connect with like-minded people within the third sector.

Learn more about the Scottish Government's Third Sector Cyber Resilience Action Plan and the steps SCVO are taking, in partnership with Scottish Government, to develop and implement it across the third sector.

Aimed at all roles, whether you are a board member/trustee, IT specialist or concerned employee, our interactive workshops led by industry experts will empower you with practical skills, allowing you to actively engage and apply cyber resilience concepts to your unique context.
