

SPONSORSHIP PACKAGES

Sponsorship Options with ScotlandIS

The events of ScotlandIS are as successful as they are because of the generous support of our members and the wider community. For 2024, our three largest events are already in the planning and given the current financial situation we are looking at new ways to make sponsorship more achievable and beneficial for those in a position to support us.

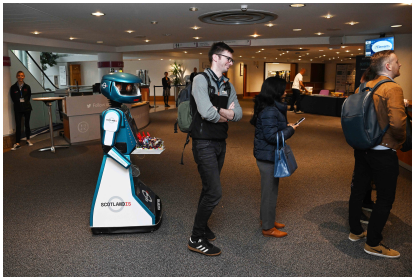

This document outlines the three largest events that we will host over the course of 2024, the sponsorship packages available for each, and the opportunities we have to increase your brand exposure.

If you would like to discuss any of the below in more detail, please do not hesitate to get in touch with Cat Blair at catriona.blair@scotlandis.com and she will be happy to arrange a meeting.

Individual Event Sponsorship

Our three largest events of the year are ScotSoft, the Digital Tech Awards and our Cluster Conference.

We have two or three levels of sponsorship for each event, but we are more than happy to tailor these to the aims and requirements of your organisation – please just ask!!

Our biggest annual event: ScotSoft

ScotSoft attracts in excess of 1000 delegates from across the sector and in 2024 it will take place on the 26th September at the EICC in Edinburgh.

A gathering of a fantastic range of speakers from across the globe, bringing us future trends, opportunities and strategies that will ensure Scotland's digital community continues to grow and prosper.

In previous years, we have had speakers from Google, Netflix, Skyscanner, Microsoft, Accenture and many more, including from some of Scotland's best startups and SMEs, covering topics from Programming, Network Security, Leadership, Recruitment, Hacking, Gaming and Diversity.

The Young Software Engineer of the Year (YSE) Awards Dinner celebrates the young talent coming out of our Scottish universities, with a unique After Dinner speaker to round off the evening.

Increase the Reach of your Sponsorship

This year we are keen to increase the value of our sponsorship packages and are offering **Combo Packages** that give our valued sponsors access to more than one event, therefore increasing the number of people exposed to your brand and the amount of time your brand is associated with the work of ScotlandIS.

Combo Package 1 – £27,000+VAT (members), £30,000+VAT (non-members)

Access to a top-level sponsorship option at the *three* biggest events ScotlandIS holds each year. This will result in your brand being associated with ScotlandIS for almost the entire year (only available while we have top level sponsorship options still available at each event).

Combo Package 2 – £22,000+VAT (members), £25,000+VAT (non-members)

Access to a top-level sponsorship package at two of the largest ScotlandIS events of the year. Only available while Digital Tech Awards top-level sponsorship available.

Combo Package 3 – £17,000+VAT (members), £20,000+VAT (non-members)

Access to a top-level sponsorship package at ScotSoft and a mid-level sponsorship option at the *Digital Tech Awards*.

*Many options available – any combination can be considered for a combo package and we would be happy to discuss the option that fits your organisation best.

Please get in touch with catriona.blair@scotlandis.com to set up a meeting to chat through your options.

Multi-Year Sponsorship options

As we book our larger events three years in advance, we can offer reduced rates for a multi-year sponsorship option – please email catriona.blair@scotlandis.com for further details.
