

SPONSORSHIP

Digital Technology Awards

One of our most anticipated nights of the year: the ScotlandIS Digital Technology Awards showcase excellence within the industry rewarding the innovation, expertise and ambition of businesses large and small – and the people that drive them.

Running for sixteen years, the Awards attract the innovative up-and-coming stars of the tech landscape to the hugely successful, established players. As a sponsor, you'll get the chance to align your brand to this incredible audience, and show your unwavering support for the growth and success of the Scottish tech community.

Consisting of a drinks reception and two course meal, the Awards are more of a fun, informal affair than a staid, corporate function, making for a great night to take your team and clients to celebrate the achievements across the industry.

Date: Thursday 19th March 2026

Venue: Radisson Blu, Glasgow

Tickets: scotlandis.com/digitaltech
