SCOTSOFT 2026

ScotSoft Conference

As one of Scotland's biggest software conferences for over 25 years, ScotSoft is a gathering of a fantastic range of speakers from across the globe, bringing us future trends, opportunities and strategies that will ensure Scotland's digital community continues to grow and prosper.
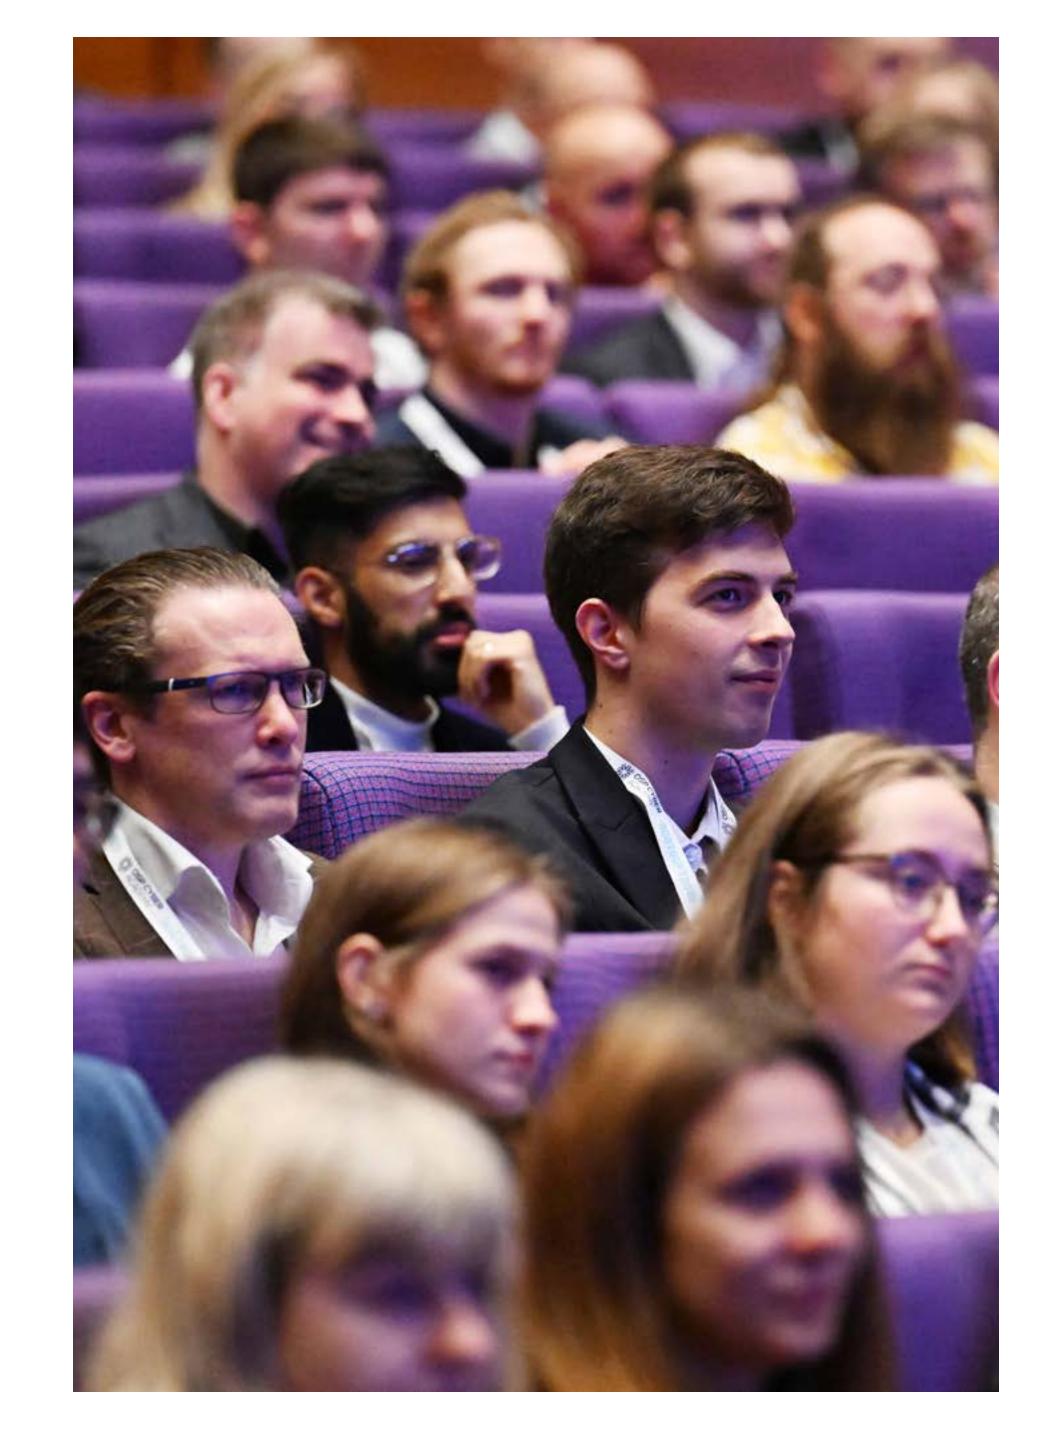

A full-day event for technical professionals and leaders in the sector, we have technical and leadership sessions tailored to all backgrounds and levels of experience; from junior developers, to project managers, to business analysts, to CTOs and CEOs.

In previous years, we have had speakers from Google, AWS, Microsoft, Morgan Stanley, Threshold Ventures, and more, including from some of Scotland's best startups and SMEs, covering topics from Programming, Network Security, ESG, Hacking, Gaming, Diversity and Investment.

Date: Thursday 24th September 2026

Venue: Edinburgh International Conference Centre

Tickets: scotsoft.scot

Young Software Engineer of the Year Awards

The Young Software Engineer of the Year (YSE) Awards Dinner has been running for over 30 years, and celebrates the young talent coming out of our Scottish universities.

This is the perfect opportunity to take your team, clients and guests out for what will be a memorable evening.

Of course, it wouldn't be the Young Software Engineer of the Year Awards without a champagne reception to kick the night off. We'll then take our seats for a lavish three course meal, before watching the Awards and hearing from our after-dinner entertainment.
